EASTERN DISTRICT OF MICHIGAN  
SOUTHERN DIVISION - DETROIT**

**IN THE MATTER OF:**

Rapid Metals, LLC,

Debtor.

Bankruptcy Case No. 23-46098

Chapter 11

Hon. Maria L. Oxholm

**GLOBAL NOTES AND STATEMENTS OF LIMITATIONS,  
METHODOLOGY, AND DISCLAIMERS REGARDING DEBTOR'S  
SCHEDULES AND STATEMENTS**

**INTRODUCTION**

The Schedules of Assets and Liabilities (collectively, "Schedules") and Statements of Financial Affairs (collectively, "Statements," and, together with the Schedules, "Schedules and Statements") filed by the Debtor in the United States Bankruptcy Court for the Eastern District of Michigan ("Bankruptcy Court") were prepared in accordance with Section 521 of Title 11 of the United States Code ("Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure ("Bankruptcy Rules") by Debtor's management with the assistance of Debtor's professional advisors, and are unaudited.

The Schedules and Statements have been signed by Laura Marcero, Chief Restructuring Officer of the Debtor. Mrs. Marcero has not (nor could have) personally verified the accuracy of each such statement and representation, including, for example, statements and representations concerning amounts owed to creditors, classifications of such amounts, and addresses. In addition, Mrs. Marcero has not (nor could have) personally verified the completeness of the Schedules and Statements nor the accuracy of any information contained therein. In reviewing and signing the Schedules and Statements, Mrs. Marcero necessarily relied upon various personnel of the Debtor and the Debtor's professional advisors and their efforts, statements, and representations in connection therewith. Although Mrs. Marcero has made reasonable efforts to ensure that the Schedules and Statements are accurate and complete based upon information that was available to them at the time of preparation, subsequent information or the discovery thereof may result in material changes to the Schedules and Statements, and inadvertent errors or omissions may exist.

These Global Notes and Statements of Limitations, Methodology, and Disclaimers Regarding Debtor's Schedules and Statements ("Global Notes") pertain to, are incorporated by reference in, and comprise an integral part of all of the Schedules and Statements. The Global Notes should be referred to and reviewed in connection with any review of the Schedules and Statements. The Global Notes are in addition to any specific notes contained in Debtor's Schedules or Statements. The disclosure of information in one Schedule, Statement, exhibit, or continuation sheet, even if incorrectly placed, will be deemed to be disclosed in the correct Schedule, Statement, exhibit, or continuation sheet.

The Schedules, Statements, and Global Notes should not be relied upon by any persons for information relating to current or future financial conditions, events, or performance of the Debtor.

### **GLOBAL NOTES AND OVERVIEW OF METHODOLOGY**

1. General Reservation of Rights. Although the Mrs. Marcero has made every reasonable effort to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to the Schedules and Statements, and inadvertent errors or omissions may have occurred, some of which may be material. Because the Schedules and Statements contain unaudited information, which remains subject to further review, verification, and potential adjustment, there can be no assurance that the Schedules and Statements are complete. The Debtor reserves all rights to amend the Schedules and Statements from time to time in any and all respects and as may be necessary or appropriate, including the right to dispute or otherwise assert offsets or defenses to any claim reflected in the Schedules and Statements as to amount, liability, or classification, or to otherwise subsequently designate any claim ("Claim") as "disputed," "contingent," or "unliquidated." Furthermore, nothing contained in the Schedules and Statements will constitute an admission of any claims or a waiver of any of the Debtor's rights with respect to the Debtor's case, including issues involving substantive consolidation, recharacterization, equitable subordination, and causes of action arising under the provisions of Chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

2. Description of Case and “As Of” Information Date. On July 12, 2023 (“Petition Date”), the Debtor filed a voluntary petition for relief under Chapter 11 of the Bankruptcy Code in the Bankruptcy Court. The Debtor continues to operate its business and manage its assets as debtor-in-possession pursuant to Sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in the Debtor’s Chapter 11 case. Unless otherwise stated in these Global Notes, assets and liabilities are reported as of July 12, 2023.

3. Basis of Presentation. The Schedules and Statements purport to reflect the Debtor’s assets and liabilities. The Debtor reserves all rights relating to the legal ownership of assets and liabilities and nothing in the Schedules or Statements will constitute a waiver or relinquishment of such rights. Information contained in the Schedules and Statements has been derived from the Debtor’s books and records. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles nor are they intended to be fully reconcilable to audited financial statements.

4. Totals. All totals that are included in the Schedules and Statements represent totals of all known amounts included in the Debtor’s books and records. To the extent there are unknown or undetermined amounts, the actual totals may be different than the listed total, and the difference may be material. In addition, the amounts shown for total liabilities exclude items identified as “unknown,” “disputed,” “contingent,” “unliquidated,” or “undetermined,” and, thus, ultimate liabilities may differ materially from those stated in the Schedules and Statements.

5. Excluded Assets and Liabilities. The Debtor has excluded potential claims arising on account of the potential rejection of executory contracts and unexpired leases, to the extent such claims exist. Certain immaterial assets and liabilities that are not reported or tracked centrally may have been excluded.

6. Amendments and Supplements. All Rights Reserved. Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; inadvertent errors or omissions, however, may exist. The Debtor reserves all rights to amend or supplement the Schedules and Statements from time to time as is necessary and appropriate in its sole discretion.

7. References. References to applicable loan agreements and related documents are necessary for a complete description of the collateral and the nature, extent, and priority of liens or claims. Nothing in the Global Notes or the Schedules

and Statements will be deemed a modification or interpretation of the terms of such agreements.

8. Currency. All amounts are reflected in U.S. dollars. Amounts originally denominated in foreign currencies have been converted to U.S. dollar equivalents in accordance with Debtor's pre-filing accounting practices.

9. Book Value. Unless otherwise indicated, the Debtor's assets and liabilities are shown on the basis of its net book values as of July 12, 2023. Thus, unless otherwise noted, the Schedules and Statements reflect the carrying value of the assets and liabilities as recorded on the Debtor's books. Net book values may vary, sometimes materially, from market values. The Debtor does not intend to amend these Schedules and Statements to reflect market values.

10. Recharacterization. Notwithstanding that the Debtor has made reasonable efforts to correctly characterize, classify, categorize, or designate certain Claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtor nonetheless may have improperly characterized, classified, categorized, or designated certain items. The Debtor reserves all rights to recharacterize, reclassify, recategorize, or re-designate items reported in the Schedules and Statements at a later time as it determines to be necessary and appropriate before any plan or disclosure statement being filed.

11. Claims of Third-Party Entities. Although the Debtor has made reasonable efforts to properly classify each Claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated, or contingent or non-contingent, the Debtor has not been able to fully reconcile all payments made to certain third-party entities on account of the Debtor's obligations to both such entity and its affiliates. Therefore, if the Debtor has classified its estimate of Claims of a creditor as disputed, for example, all Claims of such creditor's affiliates listed in the Schedules and Statements will similarly be considered disputed, regardless of whether they are individually designated as such.

12. Liabilities. The Debtor has allocated liabilities between the prepetition and post-petition periods based on information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available, and further research is conducted, particularly with respect to the Debtor's payable accounts, the allocation of liabilities between the prepetition and post-petition periods may change. The Debtor reserves all rights to amend the Schedules and Statements as it deems appropriate.

The liabilities listed on the Schedules and Statements do not reflect any analysis of claims under Section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtor reserves all rights to dispute or challenge the validity of any asserted claims under Section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's Claim.

13. Guarantees and Other Secondary Liability Claims. It is possible that certain guarantees embedded in the Debtor's executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements may have been inadvertently omitted. The Debtor reserves all rights to amend the Schedules to the extent that additional guarantees are identified or such guarantees are discovered to have expired or be unenforceable.

14. Intellectual Property Rights. The exclusion of certain intellectual property will not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property will not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Accordingly, the Debtor reserves all rights with respect to the legal status of any and all such intellectual property rights.

15. Executory Contracts and Unexpired Leases. The Debtor has not set forth executory contracts or unexpired leases as assets in the Schedules and Statements. Instead, the Debtor's executory contracts and unexpired leases have been set forth in Schedule G. In addition, while the Debtor has made diligent attempts to properly identify all executory contracts and unexpired leases, inadvertent errors, omissions, or over-inclusion may have occurred.

16. Claims Description. Schedules D and E/F permit the Debtor to designate a Claim as "disputed," "contingent," or "unliquidated." Any failure to designate a Claim on a given Debtor's Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent," or "unliquidated" or that such Claim is not subject to objection. The Debtor reserves all rights to dispute any Claim reflected on its Schedules and Statements on any grounds, including, without limitation,

liability or classification, or to otherwise subsequently designate such Claims as “disputed,” “contingent,” or “unliquidated.” In addition, the Debtor reserves the right to object to any listed Claim on the grounds that, among other things, the Claim has already been satisfied.

17. Causes of Action. Despite reasonable efforts, the Debtor may not have listed all causes of action or potential causes of action against third parties as assets in the Schedules and Statements, including, without limitation, avoidance actions arising under Chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy laws to recover assets. The Debtor reserves all of the rights for any claims, causes of action, or avoidance actions it may have, and neither these Global Notes nor the Schedules and Statements will be deemed a waiver of any such claims, causes of actions, or avoidance actions or in any way prejudice or impair the assertion of such claims.

18. Undetermined Amounts. Claim amounts that could not readily be quantified by the Debtor are scheduled as “unknown,” “TBD,” or “undetermined”. The description of an amount as “unknown,” “TBD,” or “undetermined” is not intended to reflect upon the materiality of such amount.

19. Liens. Assets listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property or equipment.

20. Estimates. To prepare and file the Schedules as close to the Petition Date as possible, management was required to make certain estimates and assumptions that affected the reported amounts of these assets and liabilities. The Debtor reserves all rights to amend the reported amounts of assets and liabilities to reflect changes in those estimates or assumptions.

21. Credits and Adjustments. The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtor’s books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtor. The Debtor reserves all of the rights with regard to such credits, allowances, and other adjustments, including the right to assert claims objections or setoffs with respect to the same.

22. Setoffs. The Debtor incurs certain setoffs and other similar rights during the ordinary course of business. Offsets in the ordinary course can result from various items, including, without limitation, merchandise quality, pricing

discrepancies, returns, warranties, filebacks, negotiations, or disputes between the Debtor and its vendors and customers. These offsets and other similar rights are consistent with the ordinary course of business in the Debtor's industry and are not tracked separately. Although such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules, offsets are not independently accounted for and are therefore excluded from the Schedules.

23. Global Notes Control. If the Schedules and Statements differ from these Global Notes, the Global Notes will control.

### **General Disclosures Applicable to Schedules**

24. Classifications. Listing a Claim (a) on Schedule D as "secured," (b) on Schedule E/F as "priority," or (c) on Schedule E/F as "unsecured," or a contract on Schedule G as "executory" or "unexpired," does not in each case constitute an admission by the Debtor of the legal rights of the claimant, or a waiver of the Debtor's rights to recharacterize or reclassify such Claim or contract.

25. Schedule A/B – Real and Personal Property.

- (a) Schedule A/B.3: Checkings, Savings, Money Market, or Financial Brokerage accounts. Bank account balances are as of the end of business on the Petition Date.
- (b) Schedule A/B.11: Accounts Receivable. Accounts Receivable balances are listed based upon the Debtor's books and records and not the verification conducted at the direction of Huron Consulting Group and extrapolated against the Debtor's books and records. The Debtor reserves the right to amend the reported amounts of assets and liabilities to reflect changes in those estimates or assumptions.
- (c) Schedule A/B Parts 5, 7, 8, and 9: Inventory, Excluding Agriculture Assets; Office Furniture, Fixtures, and Equipment and Collectibles; Machinery, Equipment, and Vehicles; Real Property. Inventory valuation is listed based upon based upon the Debtor's books and records and not testing conducted at the direction of Huron Consulting Group and extrapolated against the Debtor's books and records. The Debtor reserves the right to amend the reported amounts of assets and liabilities to reflect changes in those estimates or assumptions.

- (d) Schedule A/B.60, A/B.61, A/B.62 and A/B.63: Patents, Copyrights, Trademarks, and Trade Secrets; Internet Domain Names and Websites; Licenses, Franchises, and Royalties; Customer Lists, Mailing Lists, or Other Compilations. Patents, trademarks, and other intellectual property listed in Schedules A/B.60, A/B.61, A/B.62, and A/B.63 have an undetermined value on account of the fact that the fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from their net book value. Nothing in these Global Notes or in the Schedules and Statements will be construed as an admission or acknowledgment by the Debtor that any particular intellectual property is not transferable either pursuant to its terms or pursuant to provisions of the Bankruptcy Code or has no market value, and the Debtor reserves all rights with respect to any such issues

26. Schedule D – Creditors Holding Secured Claims. The Claims listed on Schedule D arose or were incurred on various dates. A determination of the date upon which each Claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, not all such dates are included for each Claim. All Claims listed on Schedule D, however, appear to have arisen or have been incurred on or before July 12, 2023.

Except as otherwise ordered by the Bankruptcy Court, the Debtor reserves its right to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset for the benefit of a secured creditor listed on the Debtor's Schedule D. Moreover, although the Debtor may have scheduled Claims of various creditors as secured Claims, the Debtor reserves all rights to dispute or challenge the secured nature of any such creditor's Claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's Claim. To that end, the Debtor takes no position as to the extent or priority of any particular creditor's lien in the Schedules and Statements. The descriptions provided in Schedule D are solely intended to be a summary and not an admission of liability. Reference to the applicable loan documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in these Global Notes or the Schedules and Statements will be deemed a modification or interpretation of the terms of such agreements. The Debtor has made reasonable, good faith efforts to

include all known liens on Schedule D but may have inadvertently omitted to include an existing lien because of, among other things, the possibility that a lien may have been imposed after the Debtor's Uniform Commercial Code search was performed or a vendor may not have filed the requisite perfection documentation.

Except as specifically stated on Schedule D, real property lessors, utility companies, and other parties that may hold security deposits have not been listed on Schedule D. The Debtor reserves all rights to amend Schedule D if the Debtor determines that any Claims associated with such agreements should be reported on Schedule D.

The Debtor has not included on Schedule D parties that may believe their Claims are secured through setoff rights or inchoate statutory lien rights.

27. Schedule E/F – Creditors Holding Unsecured Claims. The Debtor has used reasonable efforts to report all general unsecured Claims against the Debtor on Schedule E/F based upon the Debtor's existing books and records as of the Petition Date; however, inadvertent errors or omissions may have occurred. The Claims listed on Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a Claim arose is an open issue of fact. In addition, the Claims of individual creditors for, among other things, goods or services are listed as either the lower of the amounts invoiced by such creditor or the amounts entered on the Debtor's books and records and may not reflect credits, rebates, or allowances due from such creditors to the Debtor. The Claims and amounts listed in respect of certain trade payables reflect amounts owed as of the Petition Date.

The Debtor may pay additional Claims listed on Schedule E/F during its Chapter 11 case pursuant to orders of the Bankruptcy Court, and reserves all rights to update Schedule E/F to reflect such payments. In addition, certain Claims listed on Schedule E/F may be entitled to priority under Section 503(b)(9) of the Bankruptcy Code.

Schedule E/F also contains information regarding pending litigation involving the Debtor. The dollar amount of potential Claims associated with any such pending litigation is listed as "undetermined" and marked as contingent, unliquidated, and disputed in the Schedules and Statements. Some of the litigation Claims listed on Schedule E/F may be subject to subordination pursuant to Section 510 of the Bankruptcy Code.

28. Schedule G – Executory Contracts and Unexpired Leases. While reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions, or overinclusion may have occurred. Each lease and contract listed in Schedule G may include one or more ancillary documents, including any underlying assignment and assumption agreements, amendments, supplements, full and partial assignments, renewals, and partial releases, all of which may not be listed on Schedule G. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth on Schedule G. In addition, the Debtor may have entered into various other types of agreements in the ordinary course of business, such as financing agreements, indemnity agreements, subordination, non-disturbance agreements, supplemental agreements, amendments and letter agreements, title agreements, and confidentiality agreements. Such documents may not be set forth on Schedule G. Certain of the executory contracts may not have been memorialized in writing and could be subject to dispute.

The Debtor reserves all rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. The omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. Likewise, the inclusion of any agreement on Schedule G does not constitute an admission that such agreement is an executory contract or unexpired lease, or that such agreement was in effect on the Petition Date or is valid and enforceable, and the Debtor reserves all rights in that regard, including the right to assert that any agreement is not executory, has expired pursuant to its terms, is severable in whole or in part, or was terminated before the Petition Date.

29. Schedule H – Co-debtors. Although the Debtor has made every effort to ensure the accuracy of Schedule H, inadvertent errors, omissions, or inclusions may have occurred. The Debtor reserves all rights to dispute the validity, status, and enforceability of any obligations set forth on Schedule H and to further amend or supplement such Schedule as necessary.

The Debtor further reserves all rights, claims, and causes of action with respect to the obligations listed on Schedule H, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument related to a creditor's Claim. The listing of a contract, guaranty, or other

obligation on Schedule H will not be deemed an admission that such obligation is binding, valid, or enforceable.

In the ordinary course of its business, the Debtor is involved in pending or threatened litigation and claims arising out of the conduct of its business. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counterclaims against other parties. Because such claims are listed elsewhere in the Statements and Schedules, they may not have been set forth individually on Schedule H.

Schedule H also reflects guarantees by the Debtor. The Debtor may not have identified certain guarantees that are embedded in the Debtor's executory contracts, unexpired leases, debt instruments, and other such agreements. Thus, the Debtor reserves the right to amend the Schedules if additional guarantees are identified or if such guarantees are discovered to have expired or are unenforceable.

The Debtor reserves all rights, including, *inter alia*, the right to amend the responses to Questions 3 and 4; to prosecute actions against those parties not presently disclosed in response to Questions 3 and 4; and to prosecute actions in excess of the stated amounts set forth in response to Questions 3 and 4.

30. Question 7. The Debtor reserves all rights and defenses with respect to any and all listed lawsuits and administrative proceedings. The listing of any such suit or proceeding will not constitute an admission by the Debtor of any liabilities or that the suit or proceeding was correctly filed against the Debtor. The Debtor also reserves its rights to assert that the Debtor is not an appropriate party to any such suit or proceeding.

31. Question 10. While the Debtor has made reasonable efforts to respond comprehensively to Question 10, certain de minimis losses, which are not tracked separately, may have been omitted.
